Parent/Carer Event

Friday 24th May

Exciting news – we've looked at our calendar for the year and heard your feedback about parents needing to take time off work to attend school events. To relieve the pressure for parents to attend these events, we've made the decision to combine our Mother's Day and Father's Day events into one Parent/Carer event on Friday 24th May instead. Therefore there will now not be a Mother's Day event on 8th March as previously circulated. Let's make it a memorable event for everyone! More details to follow...

EXPANDED CHILDCARE - PARENTAL SURVEY

The Education People's Early Years and Childcare Service is conducting a survey on behalf of Kent County Council, of parents and carers and expectant parents to determine interest in the childcare entitlements that are being introduced this year and their arrangements for wraparound care of any primary school aged children.
